

August 17 1995

My name is John Roberts
and I live at 76 Boston St in Somerville
MA. My D.O.B. is 6-9-66

On Sunday July 23 1995, I
had dropped my babyrattle off at her house
and returned home at 8:15pm. I then
went next door to my neighbors house,
the O'Briens. Ed O'Brien, Young Ed, Mary
and myself and two children were all
sitting on the O'Briens front porch.

Shortly after arriving at the O'Briens,
I saw Paul Downing walking in front
of his house. Ed O'Brien, the father, said
hello to Paul and Paul waved back
with a very peculiar look on his
face.

At 8:45pm, I looked at my
watch and decided it was time to
return home. So, young Ed helped
me by carrying my son Timothy
to our house. I did not see
what direction Ed went after this
but I am sure that the time was
just after 8:45pm.

I have made this statement to Scott A Kelly
who has identified himself as a private investigator.
I have not been threatened or promised any rewards
and it is the truth to the best of my knowledge.
